

Hey have YOU heard??????

Save \$\$\$ on Saint Hilary's tuition by shopping!!!

**Use Scrip!**

Now money spent on scrip (prepaid gift cards) will bring an even LARGER savings to families. Thanks to Father Murray, Saint Hilary's Scrip Program has changed from 50/50 to 70/30 split, which will give families an extra 20% from their scrip sales toward tuition credit. Now there is even more incentive to buy SCRIP for all of your shopping needs!

**SCRIP NEWS: Families now earn 70% of a store's discount, towards a tuition credit, and 30% of the store's discounts goes toward the parish. Please support our scrip program and take advantage of this opportunity to save on tuition.**

**How So?? For example: Purchase \$200 in Acme Scrip at a 5% return, which is \$10. Families will now get \$7.00 towards tuition credit and the parish will earn revenue of \$3.00. It's a WIN for all. This spending weekly will save families over \$300 a year.**

**How do I get Scrip? It's available every day except Monday and Wednesday. Come and buy it!**
